**Please come join us as we host a campaign fundraiser for your next City Council District 5 Representative! Darrell Bonapart is the only District 5 candidate that has:**

- 1) Been fighting for the rights of senior citizens, veterans, and children for the past 18 years!**
- 2) Stood up against City Council, in 2016, on the issue of Toll Roads!**
- 3) Currently serving on a task force focused on stopping the Human Trafficking Corridor which extends from Charlotte to Atlanta and is the 5th busiest in the nation!**
- 4) Went into a burning apartment building, in 1999, to save 2 children from the fire!**
- 5) The best fit for the East Side and Charlotte City Council!**

***Please join us on Thursday, September 21st from 6:30-8pm at Hawthorne's Pizza located at 6621 Monroe Road!***

***Paid For By the Committee to Elect Darrell Bonapart City Council District 5!***
