Dear Steve,

After our primary victory, we are one step closer to bringing positive change to the Charlotte City Council! Our campaign has kicked into overdrive in order to communicate my vision of a safer, more equitable Charlotte.

As we head towards November 6th, we are nearing our first fundraising deadline after the primary. We still need your help to maintain our momentum heading into the general election. [Can I count on you](#) to donate just \$35 my campaign?

This is a critical election that will change the shape of municipal politics in Charlotte. In the coming weeks, our campaign is hitting the ground and talking to our fellow citizens about a Charlotte that provides:

- Quality, affordable housing
- Effective and efficient infrastructure
- A safe community for all

We must continue to push this message in order to maintain a city that looks forward.

But, we cannot do this without your help! Please consider donating at least \$35 to this historic campaign so that we can win November!

Thank you so much!
