Janeen Bryant

Board of Education

District 3

Dear Neighbors,

I'm Janeen Bryant, your candidate for Charlotte-Mecklenburg School Board District 3. I am ready to lead and willing to serve students, parents, and teachers.

I'm a mother of a child in District 3, a former CMS educator, and an engaged community member. I'm committed to educational equity, and I believe we need to make our best effort to ensure we're truly preparing all students to be the leaders of tomorrow.

These priorities can't wait. I appreciate your support and vote on November 7th.

CHANGE STARTS HERE!

I'm excited about the possibilities and energized by my platform to help our school district become:

- More accountable to the success of all students in Charlotte-Mecklenburg
- Better advocates and supporters of students, parents, and teachers.
- More attentive to the needs of students for the future of Charlotte and our community.

Election Day is November 7
