

First In Families Holiday Drive

2017

Merry Christmas

November 1st through December 9th 2017

- Can you help a local family with Christmas?
- First In Families of Mecklenburg offers direct support to individuals with an intellectual/ developmental disability and their family members, according to their self-defined needs. We are collecting items for these families to ensure they have what they need for the holiday season. There is a need for toys, games, books, dvd players, non-perishable food, radios, assistive technology, coats, socks, underwear and clothes for children and adults. When you are doing your holiday shopping can you pick up an extra item to donate? Gift cards are a great way to help too!

WE NEED YOU!
