GOT PARENTS: Engaging CareTakers Beyond The Car Pool

If it takes a village to raise the child, how do you get the villagers to partner with you beyond permission slips and carpool pickup? Don't miss this FAST, FUN, and tool and example filled workshop to showcase six different strategies and approaches to effectively attract and engage parents and caretakers!

As part of our commitment to high-quality programs, MeckEd offers professional development opportunities to our partners. Our professional development offers opportunities for program assessment, feedback, and coaching. In addition, we offer year-round trainings and workshops. Lastly, we connect partners in our network to allow for peer knowledge exchange.
