Stepping up for the kids

That's why, in 2018, Profound Gentleman is partnering with SchermCo, a Charlotte-based education consulting firm that works on issues like educational inequality on a local and national level. Terrell had known SchermCo founder Greg Schermbeck from the days when they both worked with Teach For America, which sends young teachers into low-income schools.

Education will take you far

As he tells it, "I want to be there for a child and be an example of something greater for society". Brynn is embarking on a journey to be that one educator in the life of a student who may be, unknowingly, entering into the pipeline.
