

**Aviation Camps of the Carolinas** will hold its first ever Adult Aviation Career Camp. This 3 hour tour will be a look behind the scenes where up until now, only students had access. This event will be held on April 2<sup>nd</sup> and will only happen once a year.

In collaboration with the [Carolina Aviation Museum](#), the camp will begin and wrap up at the museum. Access to visit the museum after the tour is included at the \$8 group rate. Some light refreshments and continental breakfast items will be available. Expect to begin at 9:15 am.

History:

**Brenda E Robinson is the First African American Female Navy Pilot, owner of Successful Attitude and President of Aviation Camps of the Carolinas Inc. Retired Navy Pilot, Retired American Airline Pilot, Motivational Speaker, and Author of “Success Is An Attitude, Goal Achievement For a Lifetime.” Teenage Edition.** Available on [Amazon.com](#)

**Aviation Camps of the Carolinas Inc. (non-profit)** is the name of the single day life altering camp conducted on airport property. Total immersion in all things aviation is conducted at local airports where grades 4-12 (or custom ages) learn careers in the aviation community in addition to flying. Boy Scouts Aviation Merit Badge can be completed in one day through this camp. For more camp information go to: [AviationCamps.org](#)

**As a motivational speaker:**

**Successful Attitude** is an education based lecture series for adults, young adults, and primary schools students to instill self confidence, goal achievement, STEM support, and leadership qualities, using aviation as the catalyst for instruction. Emphasis is on self improvement. The result is new found motivation toward studies and resolving issues of fear. For future speaker opportunities and details go to: [SuccessfulAttitude.com](#)
