YOU

CAN MAKE A DIFFERENCE.

#CommitTo80

March 7-21

CommitTo80.org

Are you ready to Commit to 80?

Only 39% of Charlotte's third graders are reading at grade level. Third grade reading proficiency is CRITICAL for school, career and life success, as this is the dividing line between learning to read and reading to learn.

It's up to all of us – at home, in a school, at work, or with a community group – to do what we can, where we can, to help children learn to read. You can make a difference whether it's one child or a classroom of children, or whether it's your own child or someone else's.
