Good Morning MMA Membership,

The City Manager's Office is conducting a community survey to help inform the direction of the City and our future priorities. **Would you be willing to take the survey yourself and to push out the links below to your contacts? The survey will be open through March.**

Feel free to use the information below:

The City of Charlotte needs your help! We want to know what our community residents think is most important for the overall wellbeing of the City and their individual neighborhoods. Please take a few minutes to complete this survey to help us identify the issues and factors that matter most to you. This survey will help us design future strategic plans, helping align our work to what is important to our residents.
