More wonderful opportunities. Please see below and feel free to share

*** Please be reminded about Cardinal Innovations having over \$200 Million Available in Grants available to go back into the community. Please see the 20 Counties that include Mecklenburg. These funds are part of the North Carolina General Statute Mandate for MCO/LMEs; whereas, they "must" reinvest monies back into the community based upon community needs. This is your opportunity to close Gaps of Services and reduce problems that exist(s). Please see the below link for criteria and be aware the question deadline is March 31st. Cardinal is also interested in Faith Based Programs and Projects.
