

**GET
TALENT!**

**KEEP
TALENT!**

Learn more about a unique program that provides the talent you need to improve your bottom line.

Project P.I.E.C.E. (Partnership for Inclusive Employment and Career Excellence) offers training for positions in fiber optics cabling, residential/commercial and highway related construction and looks to match talent with your labor needs.

The program focuses on engaging companies in curriculum development, getting to know trainees and hiring graduates.
