

RESOURCE CONSERVATION WORKSHOP

JUNE 24-29, 2018

NC STATE UNIVERSITY

The Resource Conservation Workshop is a weeklong workshop and involves study and hands on participation in a wide range of conservation topics (forest management, soil characteristics and soil conservation, non-agricultural uses for soils, water quality and watershed management, and wildlife and fisheries management). In order to achieve success, students should come prepared to meet the primary objective of the workshop -- learning about natural resources and their management in today's global environment. Students are housed in NCSU campus dormitories under the guidance of live-in counselors.

Student Eligibility:

- Attends school in Mecklenburg County.
- A High School freshman, sophomore or junior.
- Expresses an interest in natural resource conservation.

Apply Now:

- Visit: http://ncagr.gov/SWC/educational/RCW-For_Students.html
- Complete an online application form and submit it to Mecklenburg SWCD.
- A Letter of Recommendation from a teacher or a guidance counselor is favorable.

Submit Application To: Anganette.Byrd@mecklenburgcountync.gov

Application Deadline: Thursday, May 17, 2018

All expenses are paid by Mecklenburg Soil & Water Conservation District
