## First Fridays Summer Series

Building Community by Doing Community  
Invest In The West

First Fridays Summer Series is back on the west side June 1! Mosaic Live is bringing quality entertainment to the west side simply because we deserve it. We are creating a of fusion music, food, community, and engagement in a way that is distinct only to the West side.

The current line up is:

**June 1 – Black Music Month**

Music has told the stories of struggle, civil rights, celebration, community and so much more. We will celebrate local artists who tells the stories of their communities and where they have been and where they are going. An oral history documentation.

**July 6 – “It’s A Family Reunion”**

Reunions are a time to reconnect with family far and wide. The reunion will be to bring current and former residents of the Five Points area and surrounding

neighborhoods. Stories will be shared to tell of the old and the good times.

**August 3 – Movie Night OR Gaming Village**

Potentially Black Panther and its cultural relevance and significance to the residence in the area. We will discuss how Black Panther provides a framework for conversations of existing communities versus new, the intersectionality of the generations, etc. OR we will just do a huge gaming village and get some competitions going. After all technology is the future.
