We thank each and every supporter we gain rather, monetarily, a helping hand, or spreading the PG knowledge. We look forward to continuing this partnership with you! Stay subscribe, stay connected, stay in the know! Until next time my friend!

In addition to our great improvements with our Gentlemen, we had the pleasure of hosting our Annual Community Impact Assembly (CIA). We managed to capture some great moments during this fantastic fellowship. We hosted our C.O.R.E Session, where community leaders, Educators, and Gentlemen of PG gathered to fellowship in conversation (top left). We opened our space for vendors to come in and showcase their products (top right). We hosted our Annual Night of Impact Award dinner, in recognition of the educators and Gentlemen of PG (bottom left). Our National Impact Leaders came and hosted a hands on workshop (bottom right).
