Male Leadership Academy

Profound Gentlemen hosted our very first, week-long Summer Enrichment Program. During the week, young gent's engaged in activities called the Male Leadership Academy. A unique group of young Gent's, strangers to such as, Pottery, Yoga and even Hiking to get t

each other before this week, were challenged by the PG Team, but most importantly, they challenged themselves and their brothers to tap into their individual uniqueness.

the end, they were awarded lunch and bowling competition at Strike City, to knock down all the "pins" standing in their way! Each day, young gent's were allotted time to reflect in their personal journals and prepare for the big task, teaching a group of elementary school scholars. Young Gent's prepared, lesson plans, videos and were introduced to the art of teaching as leadership.

Impact Team

Thanks to your support, Profound Gentlemen has grown significantly and so has our educators.

Community Outreach

This Year Profound Gentlemen was able to engage the local community, secure partnerships and volunteer hours for our work. We look forward to additional support this year!
