WIE is asking for your support in helping us find phenomenal women who would be interested in volunteering to become a mentor for the Garinger High School Mentoring Program (GMAD). The program has been expanded to twenty-five students who have achieved high academic success (prior to the 10th grade year) and Garinger HS administrators have already selected the 2018/19 group. The goal of the program is to pair mentors who are willing to share their time, experiences, and formulas for success with high school mentees to prepare these young women for an ever-changing global society.

In 2017, with generous support from Fifth Third Bank and in partnership with the Charlotte Mecklenburg School System, WIE launched a Mentoring Across Difference high school pilot program at Garinger High School (GMAD) in addition to the established university programs conducted at Johnson C. Smith, UNC Charlotte, and Queens University.

Thank you in advance for your support. Attached is a [program flyer](#) that outlines the commitment required, as well as, and includes an [application](#) for those that are ready to make an impact. If you or the applicant have any questions, please contact the co-chairs of the WIE GMAD Committee, Dot Scoggins-Counts (704)374-1107 or Donna Parker-Tate at (704)577-2918.

Best Regards,

Stephanie Counts
