VOLUNTEER

DONATE

Twenty years of engaging communities and empowering students.

Welcome to the 2018-19 school year, Reading Partners' 20th year of positively impacting students across the country through literacy! As we reflect on the prior two decades and look ahead to the 20 years to come, we are thrilled to unveil a fresh new look. Our new logo was designed to represent our mission of helping children become lifelong readers on a skyward trajectory to reaching their full potential. The new look symbolizes the connection, partnership, achievement, and joy that is fostered in our reading centers every day, in large part because of your engagement. Your support of our mission takes many forms and we are so appreciative of your partnership and ongoing commitment to student success.

We are driven to continue the momentum achieved over the past 20 years by further engaging the broader communities we serve. We need your help!

Ways you can help kickstart the next 20 years of student success:

1. **Volunteer** - To mark 20 years, we are asking for more volunteers to connect (or reconnect) within their communities. Will you help empower a student today? [Sign up to volunteer.](#)
2. **Donate** - Please help us continue to have a positive impact on students for the next 20 years. Consider a 20th Anniversary gift to kick off the 2018-19 school year and help us create more stories of student success. [Make a donation.](#)
3. **Spread the word** - Our research points to our volunteers, AmeriCorps members, and donors as the primary drivers propelling the Reading Partners mission. Please tell your family, friends, and colleagues about Reading Partners.

We thank you for your engagement with Reading Partners and the community. Learn more about our [20 years of impact](#) and stay tuned for more updates throughout this milestone year.

For the love of reading,

Karine Apollon
CEO, Reading Partners
