

CUMULATIVE IMPACT REPORT

2015-18: Charlotte

Student performance

Reading Partners students are performing well overall and our youngest students continue to show impressive progress in the critical early years. Here are results from the 2017-18 school year.

All Reading Partners students

meeting or exceeding their primary end-of-year literacy growth goal.

K-2 Reading Partners students

developing mastery of key foundational reading skills* needed to read at grade level.

*We track growth in the key foundational literacy skills students need to become independent readers, such as alphabetic principle, phonics and vocabulary.

are satisfied with their volunteering experience*

*Among respondents of 2017-18 surveys (percentages similar to prior year results)

Program recognition

Gold-standard research found Reading Partners' program had a positive and statistically significant impact on student reading proficiency, leading to acceptance into the Institute of Education Sciences What Works Clearinghouse.

A leading national education research firm found that students served by Reading Partners (and particularly English Language Learners) showed significantly greater improvement in their literacy skills than comparison students not served by the program.

The 2017 Library of Congress Literacy Awards program

honored 15 organizations, including Reading Partners, for outstanding work in the field of literacy and implementation of best practices in literacy promotion.
