Thank You from PG!

Profound Gentlemen would like to thank those who helped to make the 2019 Community Impact Assembly a success. Over the span of four days, nearly 300 educators, community members, and PG supporters contributed to the passion, expertise, and fellowship that makes C.I.A. a unique experience. It is because of you that PG is able to push forward in its mission to build a community of male educators of color. This weekend solidified the profound impact that our community collectively has on boys of color. Thank you for being a part of this important work.
