Trump may get personally involved in our district

Steve -

We just found out that Trump aides are already talking about getting involved in our race.

“And even acting Chief of Staff Mick Mulvaney, who grew up in the Charlotte area, has taken an interest in the race.” — National Journal

We know from past special elections that Donald Trump may get personally involved in our district. He knows that the results of this race are going to be seen as an indicator of how the 2020 race will go.

He and his special interest friends may direct massive resources toward the 9th District — attacking Dan and trying to hold onto this seat. So we need to be ready to respond.

[Make a \\$3 donation right now to help us flip this district. Your contribution will ensure we’re ready to respond to their attacks on Dan.](#)

They are going to spend millions against us, but they’re no match for what we can do together. That’s why your support is so important.

All our best,

Team McCready
