Steve -

Remember HB2, the discriminatory legislation the North Carolina legislature passed in 2016?

Dan Bishop, the architect of HB2, just filed to run against us in the 9th District.

HB2 was a disaster. Not only was it wrong — it cost our state billions of dollars. Now Dan Bishop thinks he deserves a promotion.

It is clear if he goes to Congress he'll continue pushing an extremist far-right agenda that hurts working families. We need to stop him:

No matter what divisive, hateful message he may run on this time, we're going to stay focused on Dan's positive vision and fighting for our shared values.

All our best,

Team McCready
