Republicans are lying about our special election

Steve -

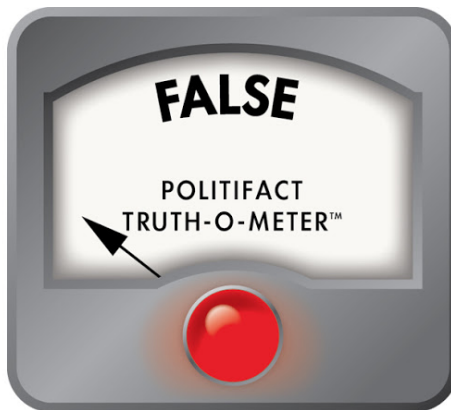

Did you see the latest lie from the North Carolina GOP? Check this out:

We have HORRIBLE news, and we wanted you to hear it from us first:

DEMOCRATS have forced a SPECIAL ELECTION in North Carolina, and the race is TIED!

Here's how Politifact rated this claim:

The decision to call for a new election was bipartisan and unanimous, and the NCGOP even put out a press release at the time saying they "unequivocally support" the call for a new election.

We're not going to let them rewrite history and lie about what happened. Mark Harris' campaign cheated and tried to cover it up for months, and the NCGOP did nothing to stop them.

We need to send them a message before our end-of-quarter deadline that we won't tolerate their lies:

[Make a \\$3 donation today ahead of our new campaign's first official FEC deadline. We'll put your contribution to work immediately fighting back against whatever attacks they throw our way next.](#)

They're back to their win-at-all-cost strategy. They're likely to say whatever it takes to try to stop us. But if you're with us in this fight, we will beat them and

flip this district.

All our best,

Team McCready
