Our success depends on people like you

This is going to be a quick race, Steve.

Election Day is just a few months away, and in a special election like this, what we do now to prepare is critical.

Right now, that means filing a strong report after our campaign's first official FEC deadline tomorrow. So with time running out, I need to ask:

[Will you make a \\$3 donation to our campaign? I'm not taking any corporate PAC money, so we're counting on people like you to power this campaign.](#)

I'll just say it like it is: Our success depends on people like you giving whatever you can afford.

We know the National Republican attack groups and the dark money special interests are likely to dump millions against us in false attacks.

We've seen their playbook before.

But here's what they don't have: the people. Together, if we keep building our grassroots team, we can win this race. But only if we put in the work now to get ready.

[Make a \\$3 donation right now, and we'll put it to work right away organizing in the 9th District to flip this seat.](#)

Thanks so much. Your support means the world to me.

Yours in this fight,

Dan
