Steve -

As you know, we're trying to generate as many individual donations as possible before our end-of-quarter deadline.

How we do here will set the tone for the entire race, and right now, we're a bit short of where we wanted to be. So we're hoping you can help us close the gap.

[Will you make a \\$3 donation right now? This is our new campaign's first official FEC deadline, and it's critical we have a strong report.](#)

This race is going to get a lot of attention. We already got word that Trump's aides are talking about getting involved.

And now that Dan's announced his pledge to reject all corporate PAC money, the special interests are likely gearing up to spend even more money to buy this seat.

It's important that we prepare to fight back right now. If we come up short this early, it could mean we come up short on Election Day. We can't have that. So please, help us close the gap.

[Make a \\$3 donation before tomorrow's official deadline. We're trying to generate as many individual donations as possible, so every contribution matters in that effort.](#)

We've got a tough fight ahead of us. No doubt. But together, we can flip this district.

All our best,

Team McCready
