### quick note

Dan McCready [info@danmccready.com]

To: Steve Johnston

Hey Steve, I wanted to send you a quick note before the day got away from me.

At midnight, we're closing the books on our new campaign's first official FEC deadline, and after that, we have to report not only how much we raised, but also how many donations we received.

The numbers we report are going to be seen as a signal of our campaign's potential in this special election. This is our chance to show the depth of grassroots support for our campaign.

Every donation sends a message about the enthusiasm for flipping this district — and standing up against the largest case of election fraud in recent American history. **That's why the number of individual donations is just as important as how much we raise.**

It's about how many people are pitching in to take ownership of our grassroots campaign and stand up for our democracy.

That's why I'm hoping you'll make a \$3 donation before midnight. Here's the link:

Thank you so much for your support. We can do this!

- Dan
