Legislative Update

We are only a few short weeks away from the North Carolina Association of County Commissioners' Annual County Assembly Day. The event will take place this year on May 8 in Raleigh. Please note the new date.

County Assembly Day offers a valuable opportunity for engagement with state officials and legislators. In addition to hearing remarks from state leaders and having a lunch session with our delegation, we will also meet with state agency officials. Registration is open for attendees.

For more information, contact [Starla Tanner](#), Legislative Affairs Liaison, at 980-314-2884.

Community Support Services Honors Sexual Assault Awareness Month

In recognition of Sexual Assault Awareness Month (SAAM), [Community Support Services](#) (CSS) will collaborate with the community to honor this year's theme, "I Ask." This theme builds on the idea that consent is a healthy, normal, and necessary part of everyday interactions, and highlights the importance of listening to and accepting answers.

In an effort to coordinate awareness and prevention efforts, CSS will implement an "I ASK" social media campaign on their [Facebook page](#), attend and provide support during an ["I ASK" community forum hosted by the Mecklenburg County Sheriff's Office](#), and encourage staff and the community to participate in Denim Day on April 24.

Denim Day is a time to wear jeans as a symbol of protest against destructive attitudes about sexual harassment, abuse, assault and rape.

CSS is asking the community to submit photos of their participation of Denim Day on April 24 to [Rienna Nuber](#). For additional information about SAAM, please contact Prevention and Intervention Services Division Director [Elyse Hamilton-Childres](#) at 980-314-8940.
