Hello, Please post the following announcement

Last year Dr. Ricky Woods, Peter Kelly & I organized and sponsored the Color of Law Community Book read. Author Richard Rothstein spoke to a crowd of over 1500 Charlotte residents at First Baptist Church West. The Community interest in Affordable Housing has been overwhelming. The three of us decided to create an organization to help address the affordable housing crisis in Charlotte. We have created a permanent organization: Equitable Communities CLT

Equitable Communities is a NEW grass roots organization (www.equitablecommunitiesclt.org). Our next event is scheduled for April 25th:

Historical Impacts of City Planning & Segregation - Why we should care about CLT's Future 2040 Plan **See the attached flyer for additional details.**

Dr. Willie Griffin Historian of the Levine Museum of the New South, will discuss the historical impact of urban renewal and how it aided in segregating our Charlotte Neighborhoods. He will discuss the impacts to Brooklyn residents.

Garet Johnson Charlotte City Assistant Planning Director will brief us on the Future 2040 plan and how we may become more engaged.

What is the Future 2040 Plan
 What does it have to do with Affordable Housing & Neighborhoods
 How can you impact the Future 2040 Plan
 Our panel will include (2) Community Residents.

We hope that you will join us for this evening. Signup here: <https://www.signupgenius.com/go/9040b4aa5ad2b0-historical>
