Good afternoon,

I am pleased to announce a new scholarship opportunity for CHA youth to participate in all types of local sports programming, and ask for your assistance in spreading the news.

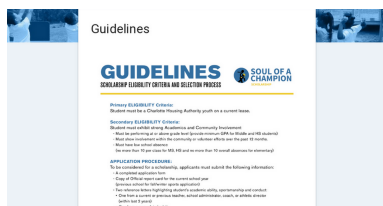

The Soul of A Champion Scholarship provides youth between the ages of 5-18 who desire to participate in a sport some financial assistance. The scholarships will range up to \$400 per youth, per year. In addition to the scholarship application and guidelines, I've attached a clip of Steph Curry highlight the scholarship which was created by a generous grant from the National Basketball Players Association.
