**Will you make a donation before tomorrow's deadline? This is about more than just how much we raise but also how many people are chipping in.**

Hi Steve,

As you may know, our last FEC deadline before the Republican primary is tomorrow. We've sent a couple of emails about it recently, so I wanted to give you a behind-the-scenes look at why these emails matter so much for our campaign.

As Dan's finance director, it's my job to track where our donations are coming from and make sure that we're on pace to hit our goals. Right now, that means hitting our goal to generate as many individual donations as possible.

And here's the thing: the majority of our donations come from people like you giving small amounts of money in response to emails like this one.

So when I'm working through our spreadsheets to make sure that we hit our goals, these emails we send play a critical role in our success.

That's why I need to ask if you can chip in today.

[Steve, will you make a \\$3 donation to our campaign before tomorrow's deadline? This is about more than just how much we raise but also how many people are chipping in to help us flip this district.](#)

We're proud that our campaign is funded by more than 25,000 grassroots donors. Together, we can flip this district.

Thank you in advance for chipping in,

Margaret Nelson  
Finance Director
