Steve -

We wanted to make sure you saw Dan's note yesterday asking you to chip in before tomorrow's deadline.

Our goal is to generate as many individual donations as possible. Will you chip in \$3 right now? Here's a link:

Thanks,

Team McCready

Hey Steve, got a minute?

In just a moment, I'm going to ask you to make a donation to our special election campaign, but first, I hope you'll give me a chance to explain why your donation is so important today.

The Republican primary is just a few weeks away, so that means Wednesday is our final FEC fundraising deadline before we likely find out who our opponent will be.

This official deadline is our last chance before the primary to demonstrate the strength of our grassroots team and show that, no matter who our opponent is, we can win this race.

We've set a goal to generate as many individual donations as possible before midnight on Wednesday. This is going to be a tough race, and special interests are already proving they're likely to spend millions to try to buy this seat.

Our Wednesday goal is our chance to prove that we're up for the fight ahead and that our team is as committed as ever to winning this fight for our democracy.

But we can only do that if we're in this together, so that's why I need to ask:

[Will you make a \\$3 donation to our campaign before our official FEC deadline? This is so much more important than just one seat in Congress.](#)

[This is about standing up to the corruption that's poisoning our democracy.](#)

Thank you in advance for chipping in. Your support means the world to me.

Yours in this fight,

Dan
