Steve -

Polls close in the Republican primary in our race in just over 24 hours. We should find out who we're up against shortly after that.

So we wanted to make sure you had a chance to read Dan's note from this morning, and if you can afford to, please chip in \$3 at this link to help us prepare for the general election:

Thanks!

Steve -

In a moment, I am going to ask you to make a donation to our campaign. But first, I hope you'll give me a chance to explain why your support today is so important.

Tomorrow is the Republican primary in our race. And when the votes are counted, we should find out who our opponent will be. Right now, it looks like it will be Dan Bishop — the architect of HB2, the controversial "bathroom bill" that discriminated against LGBTQ people.

Once a winner is declared, our race is on. Finally.

But that means the attacks are coming. And so is the outside spending against us.

That's fine. Because I know we're in this together. And if you step up to make sure we're ready, we're going to win. So here's where I ask:

[Will you make a donation to our campaign today? Whatever you can give will go a long way in helping us flip this seat.](#)

Thanks for all of your support. It's been a long race, but we're almost in the final sprint now.

Yours in this fight,

Dan
