[Breaking Election Results] It's OFFICIAL, we have our opponent

Steve -

The Republican primary was just called, and we have our opponent: Dan Bishop.

As you may recall, he's best known for sponsoring HB2, North Carolina's notorious "bathroom bill." That bill discriminated against our state's LGBTQ community, hurt our national reputation and cost us billions in economic activity. But he fought for it all the way to the end.

Now he wants to take his extreme far-right agenda to Washington. Special interests and Republican DC insiders are already lining up to help him because they know he'll likely be a rubber stamp for their partisan agenda.

Now we're in a four-month sprint to Election Day. It's our grassroots team versus his special interest backers. And if this team steps up right now and puts in the work, we will win:

This has been a long fight for justice, but it's not over yet. With the end finally in sight, we're counting on you to help us get across the finish line.

Thank you in advance,

Team McCready
