Steve -

In case you haven't heard, last night we found out who our opponent is for our special election: Dan Bishop.

You'll start to hear more about his far-right agenda soon, but here's what you need to know right now: Special interests have already started spending money to buy this seat for him. He has already launched his first attack ad against me.

So today we're launching a 72-hour fundraising drive to kick off the general election.

[Will you make a \\$3 donation right now to help us start strong in the general election?](#)

I'll be blunt: This is going to be a tough race. The DC special interests and dark money groups are likely going to dump in millions of dollars against us.

But our grassroots team is stronger than their dark money. If you stand with us, we can win this race.

We've got four months to do everything we can to flip this district. My team and I are going to leave it all on the field. Will you join me?

[Make a \\$3 donation right now as part of our 72-hour fundraising drive to say you're in. It's important that we start strong in our general election.](#)

Thank you in advance for chipping in. Your support is humbling.

Yours in this fight,

Dan McCready
