Dan Bishop's history of hate

Steve -

Our new opponent Dan Bishop has a long history of associating himself with hate and discrimination.

He first came to prominence as the architect of HB2, North Carolina's "bathroom bill" that discriminated against our state's LGBTQ community and cost our state billions of dollars.

Then he invested in a social media site — known for allowing hate speech and popular among white supremacists — just days after the white supremacist rally in Charlottesville.

Our 72-hour fundraising drive is our chance to make sure we stop him. We cannot afford his far-right agenda in Congress.

[Chip in right now to help us win this special election. Our goal for this drive is to generate as many individual donations as possible.](#)

This is about more than just how much we raise, but also about how many people are chipping in. Each donation makes clear that there's no room for Dan Bishop's hateful agenda in Congress.

Thank you for standing with our team.
