### It would mean a lot to me if you could chip in before midnight

Hey Steve,

I wanted to send you a quick note before the day got away from us. As you can imagine, now that we have our opponent, things are pretty busy at our HQ.

We're up against a career politician backed by special interests who are already pumping dark money into our district. Yesterday, Donald Trump made it clear he was going to get involved too.

There's already an attack ad against us on the air and more are coming. Our fundraising drive is all about making sure that we have the resources to fight back, but right now we're a bit short of where I wanted us to be.

It would mean a lot to me if you could chip in before the drive ends at midnight. You can use this link:

Thank you in advance. We're running a grassroots campaign that's powered by people like you, not corporate PACs. I'm proud of that, but it means I can't do this without your support.
