### Polling update on NC-09

Steve -

We just got the first poll of the general election. Take a look:

#### May 2019 NC-09 Poll

Dan Bishop:	<b>46%</b>
Dan McCready:	<b>42%</b>

*Margin of error: 5.2%*

This confirms what we've said from the start: This race will be close.

I know what you're thinking: how can we not be ahead after all of our opponent's cheating last fall? The fact is, this is a very red district. This has always been an uphill climb for a Democrat.

We're within the margin of error. That means every dollar means even more toward helping us win.

[Will you make a \\$3 donation to our campaign today? Help us win our special election and flip this district.](#)

The attacks from special interests and their dark money backers are coming against us. Your support now ensures we can fight back and make sure every voter hears our message.

Thanks for all you do.

- Dan
