Wanted to make sure you saw Dan's message about the first poll of our general election, Steve.

Right now we're a bit down but within the margin of error. We can't take anything for granted because we know that special interest attacks are on the way.

It's important that we put in the work now to make sure they can't drown out Dan's message. That's going to take lots of people giving small amounts of money to help us fight back.

[Can we count on you make a \\$3 donation to our campaign today? It'll go a long way in helping us win this special election.](#)

Steve -

We just got the first poll of the general election. Take a look:

**May 2019 NC-09 Poll**

Dan Bishop:	<b>46%</b>
Dan McCready:	<b>42%</b>
<i>Margin of error: 5.2%</i>	

This confirms what we've said from the start: This race will be close.

I know what you're thinking: how can we not be ahead after all of our opponent's cheating last fall? The fact is, this is a very red district. This has always been an uphill climb for a Democrat.

We're within the margin of error. That means every dollar means even more toward helping us win.

[Will you make a \\$3 donation to our campaign today? Help us win our special election and flip this district.](#)

The attacks from special interests and their dark money backers are coming against us. Your support now ensures we can fight back and make sure every voter hears our message.

Thanks for all you do.

- Dan
