Steve -

Dan just got a big endorsement from the Human Rights Campaign:

HRC Endorses Pro-Equality Candidate Dan McCready

Dan McCready is running against anti-LGBTQ candidate Dan Bishop in a special election to fill the seat representing North Carolina's 9th Congressional District in ...

hrc.org

They know the choice in the race is clear: Dan McCready will fight for all of us. Dan Bishop built his career on discriminating against the LGBTQ community as the architect of North Carolina's bathroom bill.

We cannot let him take his extreme, hateful agenda to Congress.

Our campaign is building the grassroots coalition that can defeat him, but we need your help to keep up the momentum.

[Make a \\$3 donation to help us continue growing our team and organizing across the 9th District. Dan cannot do this alone.](#)

We each have a role to play in this special election, so thank you for playing your part. Together, we can win this thing.

Let's go!
