We're funding this campaign the right way. Thank you.

Hey Steve -

I'll keep this brief. Right now, we're trying to raise money to help keep our first ad running. So I'm writing to ask if you can [make a donation to our campaign before our fundraising drive ends at midnight.](#)

Raising money is the worst part of this job. But the reality is, we can't fund our field operation and get out our message without a lot of money.

We're really proud to be running and funding this campaign the right way. It's a true grassroots campaign with lots and lots of people giving whatever they can afford to help us keep our fight.

Every person who chips in is a part of our team. Will you make a donation today and join us? Here's the link:

Thank you in advance for making a contribution. Let's go win this fight together.

- Dan
