This race is happening because a corrupt Republican campaign tried to silence people's voices.

Steve -

This campaign is bigger than any one of us or even the 9th District.

This race is happening because a corrupt Republican campaign tried to silence people's voices. It was the latest tactic in a decades-long effort in North Carolina to suppress voters and gerrymander districts for political gain.

Getting justice for the people is what motivates me to stay in this fight.

I can't win this race alone — it takes a grassroots team working together to protect our democracy, defend our right to vote and see justice at the ballot box this fall.

We can win this fight and begin to change Washington. It won't be easy. But the Marine Corps taught me, you don't take on a fight because it's easy, you take on a fight because it's the right thing to do. With your help, we can win this race.

We've got a big FEC fundraising deadline coming up at the end of this month. It'll be our last end-of-quarter deadline before Election Day, and having your support ahead of that deadline is critical to our campaign.

[Will you make a \\$3 donation to our campaign today, ahead of this month's major FEC deadline? This is going to be a big moment for our campaign.](#)

It's so important that we win this fight. This is so much bigger than one seat in Congress. It's about proving that our democracy is resilient and that justice, in the face of extreme fraud and corruption, is possible.

Yours in this fight,

- Dan
