Will you help us open more offices and hire more field staff?

Steve -

Our general election is here, and our team is going full force to make sure we win this thing.

A big part of our strategy is a large-scale organizing program throughout the 9th District. In these off-year special elections, turning out voters is even more important. We've already opened six field offices, and we're ramping up and continuing to open new offices across the district. Take a look!

Here we are in Mint Hill...

And Waxhaw...

And Robeson!

We aren’t just opening offices. We’ve got a full field team on the ground in these communities, and we’re hiring even more people in the coming weeks.

Building a large-scale field operation like this is very expensive. The political consultants tell me not to do it — they say to put more money into TV — but I believe it’s the grassroots that’s going to win this race. We’re a grassroots team, and it’s important to me that we run a campaign that reflects our values.

But this isn’t cheap. That’s why I’m hoping we can count on you to invest in our program today.

[Will you make a \\$3 donation to our campaign today? Every donation helps us open up offices and hire more staff on the ground.](#)

How we do on Election Day depends on how many voters we can reach and mobilize. Thank you for being part of our team and helping us fund this important work!

Let’s win this!

- Dan
