The attacks on me are ramping up, and I need your help to push back.

Steve -

My opponent just released another attack ad against me. Another blatant lie meant to mislead voters.

[Will you make a \\$3 donation to our campaign today to help us fight back against his false attacks?](#)

He's making clear his plan to run a negative campaign with no substance. His ads have focused on two things: pandering to the far-right and attacking me.

We're running a campaign for the people and focusing on the issues that matter to North Carolina families, like lowering healthcare costs and investing in public schools.

We need to push back against Bishop's attacks and his dark money backers and spread our positive message.

We're counting on help from our grassroots team to make that happen. That's why I need to ask:

[Will you chip in \\$3 to our campaign today? We'll put it to work immediately fighting against these attacks.](#)

More false attacks are sure to follow. Thank you in advance for having my back in this special election.

Yours in this fight,

Dan
