Steve -

This week Dan released his plan to lower prescription drug prices to save billions for consumers who are struggling to pay for their medications. Check out the headlines:

## McCready Touts Plan To Lower Drug Costs

*The Charlotte Observer*

### Dan McCready lays out prescription drug plan, blasts 9th District rival Dan Bishop

While our opponent struggles to defend his record of voting to protect the interests of Big Pharma, Dan is putting forward a plan that will lower healthcare costs for every North Carolina family.

The ten initiatives in Dan's plan are bold common-sense ideas that can pass Congress with bipartisan support. This is the kind of leadership Dan will bring to Washington.

But first, he needs our help in this special election. It's going to be close — a total tossup, but with your support, we can make sure every voter hears Dan's message. That's how we'll win.

[Will you make a \\$3 donation to our campaign before our official FEC deadline? We'll put it to work immediately reaching out to voters all across the 9th District.](#)

Thanks for all you do!
