Will you pick up the mic and raise the voices of children in Mecklenburg?

Following

Bob Simmons just had a FULL mic drop at #MeckBOCC urging Charlotte powers that be to lift the voices (& resources) for folks affected most by our city's pressing issues, who are the self-same ones coming up with the innovative solutions. @cfcrights has a brilliant leader!

6:59 PM - 18 Jun 2019

Our Executive Director Bob Simmons uses his voice to amplify the issues facing children so they are heard, understood, and believed. He shows up every day — in public spaces and in private, confidential meetings — seeking answers and offering solutions to today's problems that will ensure a better future for all children.

He is not alone.

He is joined by an expert and dedicated team of lawyers, social workers, researchers, educators, and more at the Council, creating real and lasting change for all our kids.

Won't you join Bob's team in this fight? If you think your gift doesn't matter, you're wrong. With your gift we will fight for brighter futures for all children. Because every child matters. That's why every gift matters, too.

Raise their voices! DONATE NOW!
