I'm personally asking you to support Dan

Hey Steve -

I wanted to reach out to you personally to ask you to support Dan McCready in his upcoming special election.

Before I helped run a winning presidential campaign or served in the White House, I too worked on a major special election campaign.

Just like Dan's race, we were trying to flip a seat in Congress a year before a presidential election. We had an uphill fight, but we won it with grassroots support.

[Dan is counting on your grassroots support in this fight too. Will you make a \\$3 donation to his campaign ahead of his official FEC deadline?](#)

When we won our special election, it was seen as an omen of what was to come in the presidential election. The same was true when Conor Lamb won his special election in 2018.

The nation is going to be watching what happens in Dan's special election this time to make predictions about 2020. It's CRITICAL that we win this race.

Dan cannot do it alone. Special interests and dark money groups are going to flood NC-09 with millions in attack ads against Dan.

Now like I said after Conor Lamb won, money isn't everything. But you have to raise enough to compete and make sure your message is heard. I'm counting on you to step up and support Dan here:

[Make a \\$3 donation to his campaign today. With the FEC deadline just days away, your support is more important than ever.](#)

I know what it takes to win tough fights. Dan can do it, but only if you're with him in it.

Let's do it,

Paul Begala
