Hey Steve -

Margaret here, Dan's finance director. I'm reaching out to share the latest on our progress ahead of Sunday's major FEC deadline.

I'll be honest: We're short. We thought we'd be much closer to our goal by now, but we're falling behind and need your help to catch up.

**[Can you make a \\$3 donation to make sure we hit our goal before tomorrow's deadline?](#)**

It's my job to make sure we stay on track to hit our projections because that's how we know what we can spend in these final weeks. When we miss a goal, it has a real impact on our budget and our ability to reach voters.

Steve, we can't afford to come up short tomorrow. It's our last end-of-quarter deadline before Election Day.

Right now, this race is a toss-up. The polling has us within the margin of error. That means we have work to do if we're going to claim victory on Election Day.

We can do it. I know we can, but only if we're in this together.

All my best,

Margaret Nelson  
Finance Director
