Hey Steve -

I know there's a whole lot of noise with the presidential debates right now, and those are important. But Dan McCready's special election in North Carolina's 9th District is really important too.

His special election is just 11 weeks away, and right now, he's facing a major FEC fundraising deadline.

Dan's up against a far-right extremist, best known as the architect of North Carolina's bathroom bill. I mean seriously?! This man has no business being in Congress.

Dan's who we need in Washington. He's a young Marine veteran, who is part of the next generation of leadership.

This race is a total tossup. The recent polls show Dan is neck and neck with his opponent. He can't win without our grassroots support.

That's why we need to have his back today, or we might end up with a man in Congress who is more concerned with bathrooms than the economy. I'm all in to make sure we stop that from happening. Are you?

Let's do this,
