Rep. Adams' Statement on the Crisis at the Southern Border

Charlotte, NC - Congresswoman Alma S. Adams (NC-12) released the following statement on the Department of Homeland Security Inspector General's report on the dangerous conditions endured by families in Border Patrol custody.

"The reports of the conditions at the Southern border are unconscionable. The Administration's treatment of detained migrants is inhumane, and a gross violation of American values. Instead of addressing the emergency at the border, this President is wasting time and resources on a rally that is nothing more than a piece of political theatre. This 4th of July, I strongly urge President Trump to truly honor our nation's founding principles by taking immediate action to end the humanitarian crisis at the border."
