DAN MCCREADY
FOR CONGRESS

Steve -

My friend Amy McGrath just announced her Senate campaign in Kentucky against Mitch McConnell.

Amy and I got to know each other campaigning for our House seats in 2018. She's a fellow young veteran — a fellow Marine. Amy's the kind of leader we need in Washington, someone who believes in putting our country over political party.

After two years of campaigning and historic election fraud, I know it's key to start your race out strong. And I want us to have her back today.

[Will you split a \\$3 donation between Amy's campaign and our special election? We're both in tough races — so we're standing together in this fight.](#)

If you don't know Amy, she was a fighter pilot, the first woman to fly an F-18 in combat.

Just like our race, Amy's will be tough. It's no easy thing to take on Mitch McConnell. But it's a fight worth taking. McConnell has led decades of destruction in Washington, turning our capital into the broken dysfunctional place it is today.

I know Amy can defeat McConnell and help change our broken political system. Let's help her out.

[Split a \\$3 donation right now between Amy's Senate campaign and my special election campaign. These will both be among the closest races this cycle — and we're standing together in our fight.](#)

I've got Amy's back. I'm hoping we can count on your support, too.

Dan
