We need your help to win this special election. Here's why:

Steve -

I'm reaching out to you today to ask if you can make a donation to our campaign, but first, I hope you will give me a chance to explain why your contribution today is so important.

Our special election is quickly approaching — just 62 days to go, and we have a lot of work to do.

We know this race is going to be close. Election forecasters have called our race a total tossup, and polling shows this race within the margin of error.

That means we can't take anything for granted. We have to compete for every vote.

The DC special interests will try to stop us by flooding our district with money to buy this seat for my opponent. The attacks are already starting.

We're staffing up and fighting back, but we need your help to do more. We're a grassroots campaign that's powered by the people, but we can't let them drown out our voices. We have to make sure every voter hears our message. That's why I need to ask:

[Will you make a \\$3 donation to our campaign right now? We'll put it to work today by growing our grassroots campaign across the 9th District.](#)

We know this is going to be a tough special election, but if you're all in with us, we can win this fight.

Thanks for being part of this,

Dan
